Springfield and Campus

The Big Small Town

Springfield is the birthplace of Route 66 and the heartland of American culture — Midwestern charm, a safe and temperate climate, and Ozark streams and lakes just minutes from campus. There is something on every weekend: the farmers market, Artsfest, fall festivals, Renaissance fairs, and festivals from around the world all year round. Springfield Cardinals baseball is a short walk away, and Springfield-Branson National Airport connects students home through major U.S. hubs.

Come Home to Campus

Across 90+ acres, you will dive into college life to the fullest — and before you know it, feel right at home. From Panther Palooza and Late-Night Breakfast to the Final Roar, the moments that bring our community together are what make Drury special. With 100+ clubs, organizations, and teams, there is a place for every person and every passion. Which three, four, five, or more will you join?
